

Meet Your Physician

PRESSLEY HALES, O.D.

Comprehensive Eye Care
Surgical Co-management

Dr. Pressley Hales joined CEA in October 2022. His specialty covers the medical treatment of diseases and disorders affecting the eyes and pre- and post-op patient care management.

After completing his undergraduate, majoring in biology at North Carolina State University, Dr. Hales earned a Doctor of Optometry degree from The Ohio State University and graduated with Magna Cum Laude honors.

Dr. Hales' academic activities include becoming a member of The Ohio State University chapter of Beta Sigma Kappa Honors Society as well as the American Optometric Student Association.

In his free time, Dr. Hales enjoys watching Ohio State Football, traveling and spending his time outdoors; especially fly fishing and hunting.

DR. HALES SPECIALIZES IN:

- Ocular disease
